Our number
SON/MP-07.1298

Subject
Declaration about:

- USB keyboards, Really Cool and Slim Cool range of products
- USB optical mice, Mighty Mouse range of products

Expiration date: May 10, 2009

Your letter

**TNO Certification B.V. declares to have performed a selection of tests
conform EN 60601-1/IEC 60601-1 clauses 16, 17.9, 19, 20, 42, 44 and 57.10
on the following products:**

Device under test : USB keyboard and USB optical mouse
Model/Type : - USB keyboard, Really Cool and Slim Cool range of products
- USB optical mice, Mighty Mouse range of products
Nominal ratings : Powered by USB port: 5V – 26 mA
Manufacturer : Man & Machine Europe
TNO test report No : CERTI07.20677

The Report is considered as a part of this declaration and will be made available by the manufacturer to interested readers.

Conclusion : The objects tested comply with the selected requirements of the International Standard IEC 60601-1, second edition 1988, which equals the Standard EN 60601-1, second edition 1990.

With reference to the Standard Conditions for research instructions given to TNO Certification B.V. we authorize the company mentioned above to use this declaration until the expiration date shown above. TNO Certification B.V. shall not accept any liability, suffered by anybody, which could result from this authorization. The company mentioned above indemnifies TNO Certification B.V. from any liability claims in this context.
