

Hygienic Medical Keyboards & Mice

KEYBOARDS SO CLEAN... People Can't Wait To Get Their Hands On Them

DISINFECTABLE

WATER-RESISTANT

CHEMICAL-RESISTANT

Disinfectable, Waterproof Keyboards & Mice for Infection Control in Medical Environments

Man & Machine medical keyboards & mice are featured in many of the largest hospital systems, laboratories and medical offices around the world. They are used in ORs, patient rooms, nursing stations, hospital carts, ICUs, laboratories, clean rooms and anywhere where infection control and patient safety is a concern. These products are cleanable with standard disinfectants, offer excellent tactile feedback, come in a variety of sizes and layouts or can be customized. Let us show you how to have infection control at your fingertips.
